

Conference on

Re - shaping Career Planning: Bridging Gaps

24 - 26 June 2024, Ankara, Türkiye • METU Culture and Convention Center

Welcome

We are excited to invite you to join us at the Conference on Re-shaping Career Planning: Bridging Gaps, which will take place in Ankara, Türkiye, on June 24-26, 2024.

This conference brings together experts from higher education career services and various sectors to address gaps in student/graduate transition to work life. Best practices in career services, including the emerging role of AI and other technologies in adapting to the world of work with life-long career planning skills, will also be covered at the conference.

We welcome your contribution through best practice talks, workshops, and poster presentations.

We look forward to hosting you at METU in Ankara, Türkiye, to make long-term global bridges across institutions and regions and reshape career planning for more resilient and adaptable graduates in the future.

Together, let's build a bridge to the workplace of the future.

Best regards,

Prof. Y. Eren Kalay | Assoc. Prof. Elif Balın
